AUTISM SPECTRUM DISORDER CASE CONSULTANT PRACTITIONER

SECONDARY CONSULTATION & TRAINING SUPPORT FOR SERVICES

About Windermere

Windermere is a leading community-based not for profit agency, which makes a significant difference to the life of every child, family and individual with whom it works. Our innovative services provide clients, staff and the community with opportunities to learn, grow and achieve their life goals.

Project—Autism Spectrum Disorder (ASD) Case Consultant Practitioner (March 2010— December 2011)

The ASD Case Consultant Practitioner role is a 15 month project funded by the Department of Human Services and managed by Windermere.

The ASD Case Consultant Practitioner is available to provide secondary consultation, training and advice to any organization within the Southern Metropolitan Region who support clients or families affected by an ASD including:

- Autistic Disorder
- Asperger's Syndrome
- Pervasive Developmental Disorder—Not Otherwise Specified (PDD-NOS)

Autism Spectrum Disorder (ASD) Case Consultant Practitioner

Tracey Millen has qualifications in teaching (B.Ed & Cert IV Workplace Assessment & Training) and an Advance Diploma Community Services Management. Tracey has worked with people with ASD and their families for 19 years, with experience ranging from direct care to management of service delivery. Tracey is also experienced in the provision of information/training sessions about ASD having presented many such sessions to disability and generic organizations providing support to people with ASD.

Services Available

The ASD Care Consultant Practitioner is available to advise your organization about ASD and the services available to best support someone with ASD and their family/carers.

Understanding ASD in-service sessions aim to increase awareness of ASD within the service system, and improve knowledge on how best to support individuals and families.

Training can also be targeted to needs of the organisation.

Secondary Case Consultation providing face to face, phone and email advice to case managers regarding individual clients.

Establishing ASD networks and Communities of Practice in order to strengthen and maintain knowledge and information sharing within the service system.

Contact: Tracey Millen to discuss or access any of the services listed above.
