

Healthy Relationships, Healthy Women

An educational program that explores violence in relationships

Women will be encouraged to gain an understanding on what defines healthy and positive relationships and to recognise constructive behaviours in relationships.

This program will be conducted in a safe environment where participants can explore and share their experiences of violence.

Eligibility	Women who have experienced violence in their relationships
Dates	Every Thursday from 4th August to 8th September 2011
Time	10.00am to 12.00pm
Venue	Windermere 48 Webb Street Narre Warren
Cost	Free to all participants
For more info or to book	Contact Fiona or Tracey at the Southern VACP on (03) 9705 3200
