For more than 150 years, Windermere has been caring for the most vulnerable people in the community – those who struggle to get a 'fair go'.

Windermere's mission is to improve wellbeing in children, families and communities by enhancing their potential, building resilience and connecting them to the community.

Today, we are a leading child and family services agency in Melbourne, assisting children and families that are facing extreme issues such as physical and sexual abuse, severe neglect, family breakdown, domestic violence, homelessness, behavioural problems and living with a disability.

You are invited to the
Diamonds are Forever
20 Futures Gala

A night of star-studded entertainment
and a chance to create 20 futures.

Windermere

The 20Futures Gala is an inspiring, fun evening featuring performances by leading artists and entertainers with a celebrity MC and lots of surprises.

This event is Windermere's largest fundraising event, and in the past four years it has become the most important night in our calendar.

All proceeds from the night go towards assisting kids in crisis in our community.

The night features a sumptuous dinner with the finest food and boutique wines.

Our main and silent auctions provide guests with the opportunity to purchase items of exceptional value, including 'can't-buy' experiences.

The idea of the 20Futures Gala is to show 20 of the most disadvantaged kids that they can have a bright future.
