Windermere	9705 3200
Windermere ECECS Emergency Mobile	0408 591 457

### First Aid Reminders

In an emergency try to remain calm  
Calmness will help cope with your child  
If a child is breathing but is unconscious, place on his side  
in the 'recovery' position. This ensures that the tongue  
(and any secretions) falls forward and does not obstruct the airway

FORWARD PLANNING WILL HELP YOU COPE WITH AN EMERGENCY  
EDUCATORS MUST ALWAYS HAVE EMERGENCY TELEPHONE NUMBERS NEAR THEIR TELEPHONE
