PLAN MANAGEMENT

Our Plan Managers will help take the worry out of managing your NDIS finances and the day to day administration of your NDIS plan.

SUPPORT COORDINATION & SPECIALIST SUPPORT COORDINATION 🛛 📳 🌐

Together, with you, your family and your community we assist you to better understand and manage your NDIS plan and funding. We help you to coordinate service provider bookings and to access the most appropriate community supports to meet your needs and achieve your goals.

EARLY INTERVENTION THERAPY SERVICES / KEYWORKER

Our specialist team support young children, who have a disability or developmental delay to reach their full potential. Utilising the Key Worker model, we provide a range of therapy and supports which will best assist your child's wellbeing and development.

PHYSIOTHERAPY

We provide service to children and youth aged 0 - 12 years who may be demonstrating delays or difficulties with their development including gross and fine motor skills.

NDIS, disability

support and developmental delays

OCCUPATIONAL THERAPY

Our Occupational Therapists (OTs) work with you and your family to help build the skills you need for independence in day to day activities. We provide advice that meets your goals in a fun and practical way.

SPEECH PATHOLOGY

Our Speech Pathologists improve communication, language, and speech development. They also assist with feeding and swallowing difficulties.

DIETITIAN

Through meeting your food and nutrition needs our dietitians work with you to manage specific conditions and improve your health and wellbeing.

PSYCHOLOGY

Our Psychologists support your child's emotional and psychological needs, for improved mental health and wellbeing.

TAILORED SUPPORT SERVICES

Supporting professional development and training for schools, organisations and health professionals. One on one preplanning support for families and individuals applying for NDIS.
